At this point that is not acceptable. If there are documents they need that she has then please let us know and we can try to make arrangements. I believe the agents will likely be making contact with her this morning so let us know if things are needed.

Thanks
James

James/Laura,

Additionally, our clients need to get their taxes prepared and filed. Is it ok for them to communicate with their CPA, Gloria Moreno, for the purposes of getting their taxes done? Please advise as to the Government's position on this as well.
